CGN CERTIFICADORA GALLEGA DEL NOROESTE ISO 9001:2015

ISO 9001:2015 CERTIFICATION No. CA-1.092. AUTHORIZED LABORATORY No. 046/GA/SA680A

PRODUCT: MICRONIZED SEAWEED MEAL

DESCRIPTION:

Dry meal derived from the refining of marine macroalgae, a sustainable ingredient for advanced formulation of organic fertilizers. An excellent source for the slow release of organic nitrogen, micro and macro and micronutrients (Ca, S, Mg, Fe, Cu, Zn, Mn). Produced under strict quality control and with very low levels of impurities, thanks to the washing and drying process applied to the raw material. Suitable raw matter for pellet and solid mix production, organomineral fertilizers, and chemical free biostimulants. UE 2019/1009 compliant.

COMPOSITION (AVERAGE VALUES):

Organic matter	Crude Protein	N	C/N	Ash	Na	Humidity	Calcium	Iron
>65%	32%	4,8%	7-9	<25 %	<0,5%	<8%	2%	850 ppm

PRESENTATION: Dark green/brown micronized (200-300 um) meal in 25 kg opaque PP sacks over europallet.

15% DISCOUNT ON REGULAR PRICE

DATE AND VALIDITY OF THE OFFER: April, 30th 2026/30 days.

DELIVERY TIME: 5 days from order confirmation.

METHOD OF PAYMENT: To be agreed upon.

OBSERVATIONS: VAT (10%) and shipping costs are not included. For more information, please contact our Sales Office with any questions or concerns you may have.
