ISO 9001:2015 CERTIFICATION No. CA-1.092. AUTHORIZED LABORATORY No. 046/GA/SA680A

PRODUCT: MICRONIZED SEAWEED MEAL

DESCRIPTION:

Meal derived from the refining of marine macroalgae of the genera Chondrus spp., Gracilaria spp., and Ulva spp. An excellent source of vegetable protein with 100% marine plant origin, pigments, and a high content of macro- and microminerals (Ca, S, Mg, Fe, Zn, Mn). Produced under strict quality control and with very low impurity levels thanks to the washing and drying process applied to the raw material.

COMPOSITION (AVERAGE VALUES):

Humidity	Crude Protein	Raw Fiber	Crude Fat	Ashes	Na	Proline	Calcium	Iron
7%	32%	46%	1%	<8 %	<0,5%	11,2%	2,5%	1700 ppm

PRESENTATION: Finely ground and sifted meal in 25 kg opaque polypropylene bags on europallet.

15% DISCOUNT ON REGULAR PRICE

DATE AND VALIDITY OF THE OFFER: February, 25 2026/30 days.

DELIVERY TIME: 5 days from order confirmation.

METHOD OF PAYMENT: To be agreed upon.

OBSERVATIONS: VAT (10%) and shipping costs are not included. For more information, please contact our Sales Office with any questions or concerns you may have.
